Dear Mr. Wilkinson,

Thank you for becoming a McKinley Elementary School partner. Your generous donation of DVDs is a support for the Outdoor Science School Program. Each year we send our fifth graders to science school for a week. While there, they learn science concepts as well as how to live in harmony with nature and with each other.

The DVDs will feature photos of our students, the parent cabin leaders and staff members as they learned science together at the school in Wrightwood. It will show them on the trail, in the woods, playing in the snow, doing folk dancing, and doing homework in their cabins. Families will treasure them for many years.

Thank you for a very valuable partnership.

Sincerely,

Sue Holliday
